

Edenton Yacht Club LTD

Thank you for hosting an EYC party. Below is some information to facilitate your involvement. Please have a current copy of your membership list available for contact information.

The host/hostess provides the main dish. Keep receipts for the food you purchase for the party. Submit them to the treasurer (currently John Sams) for reimbursement.

You will be contacted by the secretary early in the week of the party to review the email that will go out to our members. The aim is to provide as much information to the members as possible (what main dish will be served, location and parking information, how to RSVP etc.). Please keep in mind that unless you want to coordinate with **EACH GUEST** the club will make a generic request for 1/3 of the club (based on alphabetized last name) to bring either appetizer, side or salad, or dessert.

Peter Lolkema or Brian Donnelly will bring coolers, wine, beer, soda and water. They will also bring (**IF REQUESTED**) tablecloths, large paper plates, small paper plates, napkins and silverware (forks, knives and spoons).

John Sams will be your contact regarding when/if to bring the trailer (which houses tables and chairs).

The secretary will bring visitor name tags for guests (and any members who have forgotten their name tag).

The officers and members of Edenton Yacht Club appreciate your willingness to participate in the club and graciously inviting us into your home!
